🌟 Celebrating this Month's Y Champion: The Zemsky Family Foundation! 🌟

YMCA Buffalo Niagara is incredibly grateful to the Zemsky Family Foundation for their unwavering support over the past few years. Their generosity has funded a crucial program that helps children on the East Side of Buffalo build their reading, writing, and academic skills during the summer months—completely free of charge.

Thanks to their support, we are able to prevent summer learning loss and make a significant impact in the lives of these young learners. Together, we are making a difference in our community.

Thank you, **Leslie Zemsky**, Howard Zemsky, and all involved with the Zemsky Family Foundation, for being a true partner in our mission to strengthen the Western New York community!
